

DTUTOR

PROJECT MEMBERS:

HAIDER SYED

TRAVIS PETERS

ARVIND C. SENTHIL KUMARAN

GOALS

- To provide a user-friendly App for Tutors and Tutees to connect
- To allow the students to find tutors/tutees
- Help students find a place to study

When Logging in :

Don't use your Dartmouth Email

DON'T ENTER YOUR ACTUAL PASSWORD

Mockup of a mobile app login screen. The status bar at the top shows icons for mail, messages, and battery, with the time 4:17. The app header is blue with the text 'Login' and a menu icon. Below the header are two input fields: 'Email' and 'Password'. A 'Log In' button is positioned below the password field. At the bottom, there is a link that says 'Sign Up for DTutor'.

Mockup of a mobile app 'Register New Account' screen. The status bar at the top shows icons for mail, messages, and battery, with the time 4:30. The app header is blue with the text 'Register New Account'. Below the header are three input fields: 'Full Name' (containing the text 'Haider'), 'Email', and 'Password'. A 'Register New Account' button is positioned below the password field. At the bottom, there is a link that says 'Sign Up for DTutor'.

Mockup of a mobile app profile completion screen. The status bar at the top shows icons for mail, messages, and battery, with the time 4:52. The app header is blue with the text 'DTutor' and a menu icon. Below the header is a black navigation bar with three tabs: 'HOME' (selected), 'SEARCH', and 'PROFILE'. The main content area has a light gray background and contains the following text: 'Please complete your profile:', 'Add courses that you want to tutor or courses you need help with!', a 'Tutor' button, the section header 'My Notifications', the section header 'My Reservations', the text 'You do not have any reservations', and a 'Reserve a Room' button.

PROFILE

The image shows a mobile application interface for a user named 'DTutor'. The app has a blue header with the name 'DTutor' and a menu icon. Below the header is a black navigation bar with three options: 'HOME', 'SEARCH', and 'PROFILE', with 'PROFILE' being the active tab. The profile page contains several input fields for user information: 'Name' (filled with 'dtutor dev man'), 'Email' (filled with 'dtutor-dev@dartmouth.edu'), 'Courses You Are Tutoring' (filled with 'cs1' and a green plus icon), 'Major [Department]' (filled with 'computer science'), 'Class' (filled with '2014'), and 'GPA' (filled with '9.0'). The bottom of the screen shows a black Android navigation bar with back, home, and recent apps icons.
